Richard - Mike – The sooner the better if we are going to track costs as Sunnyside has some field work going that we would probably consider overseeing.

Subject: Setting up OU for Mayflower Tailings

Mike – In a discussions with Martin and Suzanne today, they asked if we could set up a way that folks could bill oversight work regarding Sunnyside's work on the Mayflower tailings. Setting up a Mayflower OU was suggested but would there be another way to do this? If not, can you work on getting a Mayflower Tailing OU within Upper Animas established?

Thanks
